# Ideation Phase Brainstorm & Idea Prioritization Template

Smart Waste Management

Date	19 September 2022
Team ID	PNT2022TMID03704
Project Name	Smart Waste Management System For Metropolitan Cities
Maximum Marks	4 Marks

## N.Parthu S.Gireesh

Smart drainage monitoring using IOT

Waste level sensors

Waste level sensors

Minimizing Human effort Maintaining the clean environment

Smart Waste Bins

Reducing Pollution

### **Final**

Efficient resource utilization

E-waste kiosks Maintaining the clean environment

Smart Waste Bins

#### S.Abdul

Dumping of Garbage Solar Power Garbage detector Recycle Garbage System

E-waste

#### S.Khaja

Clean cities

Al Recycling Robots

ling Dumping of Garbage

Reduced Field Work
